- 1) We face temptation all around us. However, it comes from three major sources. What are they? Why is it important to identify them?
- 2) How do we defeat the temptation from the world around us? What specific “worldly” temptations do you face? What can you do in order to focus more on Jesus and less on what the world has to offer?
- 3) How do we defeat the temptations that come to us from our own sinful nature...our flesh? What are some specific “fleshly” temptations that you battle against? What changes can you make in your life right now in order to flee to victory?
- 4) What does it mean to be under the Lordship and authority of Christ? Why is it vitally important that we remain there in our battles against the devil and his forces?
- 5) Why do we need to bear one another’s burdens and cover each other’s backs as believers? What dangers do we face if we allow gossip or negative feelings to get in between us? What specifically can we do to unite forces and fight our common enemy?
