Let's Get Going

John 11:7-16

1. Often times our human nature tells us that if things are going well...stay put! But God has a tendency to call us out of our comfort zone to serve Him. How have you seen this to be true in your life? What blessings have you seen as a result?
2. In what ways can our logic lead us astray? Why is it so important that the Word of God take precedence over the logic of man? Do you tend to rely more on logic or God's Word?
3. The fear of death is common amongst most people. Why is death nothing to fear as a Christian?
4. At times, the Word of God can seem confusing. However, God wants us to understand it. What should we do prior to reading the Bible? In what ways have you seen the Word of God opened up to you?
5. Jesus is not just the God of our Salvation. Just as He breathed new life into Lazarus...He can breathe new life into our circumstances. In what ways have you seen this to be true in your life? What areas do you need to bring to Him now?
