

Home Fellowship Questions

State What You Believe

John 12:42-50

1. Is it important for a Christian to publically acknowledge their belief in Jesus Christ? Why or why not? Why were the people in verse 42 unwilling to publically profess they believed in Jesus?
2. We all desire to be liked, appreciated, and accepted by those around us. How can this desire to be approved by man hinder our walk with God? Do you fear sharing your faith? If so why? How can you overcome that fear?
3. In verse 48, Jesus states that the words He spoke will be the judge of those who reject Him. What does that mean? Will those who reject Jesus have any excuse? Will Christians fall under this same judgment? Why or why not?
4. There is eternal power in the words of Jesus because they are the very words of God? Is there eternal power in the words of man? How should this truth change the way we witness to others?
